MAYOR'S MESSAGE

Dear Community,

It is hard to believe that we are in the month of July. It is amazing how fast the year is going by. Our City has been hard at work so far this year in a couple of different ways. First, we are working hard with the different organizations planning our summer events. This month we are starting the ever popular summer concerts. Kass Holdeman and the entire Duvall Cultural Commission has planned another great year for all of us to enjoy. Check out the schedule on www.duvallculture.org for a listing of these great events.

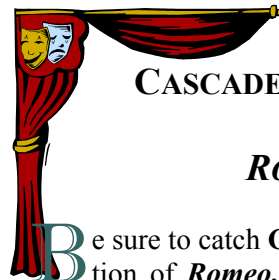

Secondly, the Public Works crew have been working around town on our parks, so all of us can enjoy them this summer. Our parks continue to be a big draw for our community. With the nicer weather, my wife and I are encouraging the boys to play outdoors more than on the Xbox.

On a sad note a young man in our community passed away from a drug overdose in late June. Even though we have a very low crime rate, that does not mean that we are a drug free community but that is a goal that the Police Chief and I are striving for during the second half of this year. We believe no one should suffer the pain of losing a loved one due to a drug overdose. We are a family-friendly community that supports each other and looks out for each other. I am encouraging all of us to work towards this goal of being a drug free community.

Thank you and enjoy the great weather in July.

CASCADE COMMUNITY THEATRE PRESENTS *ROMEO, YOU IDIOT*

Be sure to catch Cascade Community Theatre's production of *Romeo, You Idiot* by Tim Kochenderfer, produced and directed by Patrick Kevin.

"Nothing could come between Romeo and Juliet. Not the most bitter mafia rivalries, nor the itchiest poison ivy, nor even the wooing of an alleged vampire could tear them apart. Yes, the love of Romeo and Juliet could survive anything. Well, except for poison. *Romeo, You Idiot*, is a relentlessly irreverent spoof of Shakespeare's original story of two star-crossed lovers."

Performances will be held:

Saturday **July 10th** at 7 pm and Sunday **July 11th** at 2 pm at **Kokopelli Gardens** on Batten Road.

Saturday **July 17th** at the SandBlast Art Festival at 7 pm at **McCormick Park**.

PARKS USE

It's warming up, school is out, and the parks are seeing an increase in activity.

This is a great thing to see, but what isn't good is seeing abuse to the parks. If you see children or young adults using the parks in a manner not appropriate please let them know they shouldn't be doing what they're doing. If you don't feel comfortable please let us know at Public Works (425-788-3332 or after hours 206-977-8417).

The damage may not seem like much but the equipment is costly and it is a challenge to continue to replace broken equipment. Please enjoy the parks and stay safe.
